First Inkpressions Count.

Superior quality and efficiency. Everytime.

Print at Full Speed

With a document print speed of up to 12/10 ipm^, Brother machines speed up your workflows so you can do more in less time. From printing professional reports to outstanding brochures, you can confidently create powerful business materials that will make the right impression.

Save More with Every Print

Lower your cost per print with Brother's ultra high-yield ink bottles. Print up to 6,500 pages** in black and 5,000 pages** in colour! You'll also save the environment and running costs, with automatic two-sided printing that cuts paper usage by up to 50%.*

*Selected models only

Multiplying Productivity

Featuring a 1.8"user-friendly LCD screen* and keypad, you can browse menu options at a glance and easily navigate print settings. Print files or scan to a USB device without the need to connect to a PC.

*Selected models only

Brother's Refill Tank System features a transparent cover that allows for easy front access to the embedded ink tank. The user-friendly design is engineered to minimise the risk of mess and leakage.

Refill Tank System

Handle Tasks Efficiently

Handle a variety of print jobs with a 150 sheets paper tray adjustable for different paper sizes and a 20 sheets Auto Document Feeder that allows for convenient scanning, copying and faxing. What's more, the multi-purpose tray holds up to 80 sheets and provides support for various paper weights, so you can breeze through print jobs.

*Selected models only

Print from Anywhere

With flexible connectivity options, our printers are designed to suit all work environments. Built-in Wi-Fi and Ethernet networks allow your entire workgroup to effortlessly share one device. Plus, they'll enjoy the convenience of printing wirelessly from desktop PCs, laptops, mobile or tablets.
